Center for the Integration of Research, Teaching and Learning

The Center for the Integration of Research, Teaching, and Learning at Texas A&M University (CIRTL@TAMU) seeks applications for its Summer 2021 Faculty Fellows Program. Applicants must have a passion for the enhancement of undergraduate education through the development of a national faculty committed to implementing and advancing effective teaching strategies for diverse learners. The program is open to academic professional track (APT) or tenure-track faculty at the TAMU-College Station campus.

For additional information about the CIRTL National Network or CIRTL@TAMU, please visit cirtl.tamu.edu.

Participation Benefits

- Receive recognition for your investment and dedication to the instruction and training of the next generation of faculty
- Develop professional skills in teaching and educational research
- Establish collaborations across disciplines and universities in the CIRTL Network
- Mentor graduate students and postdoctoral scholars interested in enhancing undergraduate learning
- Receive a CIRTL@TAMU Faculty Fellows stipend to support program facilitation
- Receive travel funds to participate in CIRTL Network forums, conferences or programming

CIRTL@TAMU Faculty Fellow Expectations

- Serve as Faculty Fellow during Summer 2021 (June 1, 2021—August 6, 2021);
- Serve as a promoter of CIRTL@TAMU and CIRTL Network values and programming;
- Facilitate one CIRTL Cross-Network program;
  - Program options include facilitating a core program (Summer 2021 core program — An Introduction to Evidence-Based STEM Teaching (MOOC)) or proposing a new program. Core Programs are established courses with a complete set of instructor materials (syllabi, lesson plans, slides, and assignments);
    - Other core programming includes:
      - Diversity in the Classroom (course)
      - Planning Your Teaching-As-Research Project (course)
      - The College Classroom (course)
      - Advancing Learning through Evidence-Based STEM Teaching (MOOC)
      - Writing an Effective Teaching Philosophy Statement (workshop)
- Support and participate in local CIRTL@TAMU programming, including the Summer MOOC weekly Local Learning Community.

For more information or to discuss options, please email cirtl@tamu.edu
